

Iowa Board of Cosmetology Arts and Sciences

Public Notice - Proposed Licensure Fee Adjustment

Iowa Code section 147.80 requires each licensing board to set its fees at a level which will be sufficient to cover its ongoing expenditures. Annual board expenditures include items such as administrative staff time, licensing staff time, board member per diem and travel expenses, board regulatory activities including investigations, administrative hearings and legal counsel, as well as items of general support including IT equipment and software, office supplies and office rent/utilities. The Board of Cosmetology Arts and Sciences is not projected to meet the statutory requirement beginning in SFY 2018.

The Iowa Board of Cosmetology Arts and Sciences took action at a meeting on March 7, 2016, to provide early notice to its stakeholders of the Board's proposal to lower one and raise other initial licensure and renewal fees, intended to be effective as of July 1, 2017, as follows:
